Email from Cath Hopa-Pioletti to Lady Crown.docx

crown333999@hushmail.com

Thank you Lady Crown for forwarding this letter dated 10th January 2021 from Cath Hopa-Pioletti, Georgi Job's niece (she calls herself Ariki Kiwikiwi) in regards to their private meeting on the 9th January 2021. Neither Cath nor Georgi had emailed me these pdf's sly foxes they are. That their Hui they attended, this was a private Hui having no business whatsoever to the concerns of our "Te Hapu O Te Wakaminenga Waahi O Maniapoto", since Mangungu Taitokerau, do not speak for Maniapoto Taihauauru.

[1] That for the record, our 9th April 2017 and 30th July 2017 "Te Hapu O Te Wakaminenga Waahi O Maniapoto" Resolutions at O-Tawhao Marae, Te Awamutu, where Tawhao was the father of both Turongo and Whatihua: That on the 9th April 2017 at **Resolution 4a**: "...that we Te Hapu O Te Wakaminenga Waahi O Maniapoto now set into motion our Executive Council of State for our Native Tribal Authority of Maniapoto Nations; to set in motion our Administrative Governance, and that our Executive Portfolios be now set in motion by this proclamation resolution;

- Head of State
- Secretary of State
- Treasury
- Environment and Cultural Heritage
- Health and Wellbeing
- Economic Development
- Education, Language and Culture
- Post-colonial Reconstruction, Public Works and Infrastructure"

Moved by Arikinui Heruika/Seconded by Rangatira Rose Vaimea

If one were to look at the first nine resolutions ever Motioned and passed by "Te Hapu O Te Wakaminenga Waahi O Maniapoto" they were all Moved by Arikinui Heruika, which shows that prior to Arikinui Heruika first joining up with this "Te Hapu O Te Wakaminenga Waahi O Maniapoto" in March 2016, that no proper constitutional structure for governance was properly set into motion at all. That its these nine Resolutions motioned by Arikinui Heruika that was the cornerstone for both Cath and Georgi to creating the STARTER PACKS to share with other Hapuu to help set themselves up.

That for those portfolio the positions were allocated by Resolution 5, 30 July 2017 were as follows:

- Head of State: Ripekatangi and Heruika

- Secretary of State: Kiwikipi
- Treasury: Mihiwai
- Environment and Cultural Heritage: Makareti
- Health and Wellbeing: Kinohaku
- Economic Development: Rauputiputi
- Education, Language and Culture: Neihana Mokena
- Post-colonial Reconstruction, Public Works and Infrastructure: Paretopa

Yet, Georgi Job had allocated herself, self-appointed herself as “Tumuaki”. So now we have seen Cath Hopa-Pioletti (Kiwikipi) taken it upon herself when she created special ID CARDS for herself, Georgi, Oto and Linda, which says:

Maori Government of Aotearoa Nu Tirenī; Te Whare Ariki o Runga o te Wakaminenga o Nga Hapu o Nu Tirenī; The Confederation of the United Tribes of New Zealand; under a COAT OF ARMS “MAORI GOVERNMENT OF AOTEAROA NU TIRENI” without any Resolutions ever passed by our “Te Hapu O Te Wakaminenga Waahi O Maniapoto”. So this is the hypocrisy of Georgi in her double standards, when she thinks she can have private HUI, pass their private resolutions and think their resolutions have to bind people who never attended their private meetings; well that’s not how due process works you dumbies! AND one has had experience into how UNIONS run their meetings since childhood as one’s dad was a UNION Delegate for some 32 years; and he was a Chairman for a number of other bodies.

That notwithstanding that Secretary of State position, which Kiwikipi was appointed by Resolution to this position for “Te Hapu O Te Wakaminenga Waahi O Maniapoto”, but what lawful basis did she have for creating all these FALSE IDS that she, her Aunty Georgi, Oto and Linda pretended that they held positions within those artificially created entities; which was a deliberate attempt to usurp the constitutionally recognised “Wakaminenga Confederation Of Chiefs Of The United Tribes Of Aotearoa; Maori Government of Aotearoa” est 1983? That in fact Cath, with the approval of her Aunty Georgi, she had set up their faux Letterheads under a COAT OF ARMS “MAORI GOVERNMENT OF AOTEAROA NU TIRENI” without any Resolutions ever passed by our “Te Hapu O Te Wakaminenga Waahi O Maniapoto” to branch out to claim governorship over every other Hapuu territory, Cath did so on the 15th April 2019. That “Te Hapu O Te Wakaminenga Waahi O Maniapoto” does not have the mandate from the Motu to do such a thing. They have takahi’d over the Mana of adjacent northern Hapuu such as Ngaati Apakura, Ngaati Maahanga, Ngaati Wairere, Ngaati Tamainupoo, Ngaati Whawhakia, Ngaati Mahuta, Ngaati Haua etc etc...; because “Te Hapu O Te Wakaminenga Waahi O Maniapoto” never obtained a treaty with any of the adjacent Hapuu to do so; yet these idiots are running around to all these Maniapoto Maori Trust Board treaty settlement Hui to voice against that Trust Board, when these idiots are hypocritically doing what those Trust Boards are doing to all the adjacent Hapuu.

So, this explains how Georgi and Cath created and formed their fake MAORI GOVERNMENT OF AOTEAROA in 2017, to usurp our “Wakaminenga Confederation Of Chiefs Of The United Tribes Of Aotearoa; Maori Government of Aotearoa” est 1983 and those who have joined them are con-artists and fakes too! One had noted from your secret Hui minutes held at Te Kuiti, 13th July 2019 that Georgi on the morning of 13th July 2019 did not tell me she was going to this Hui, despite I asked her that morning where was she going to? Without informing all Maniapoto is breach of fiduciary duty and care. I found out that the reason was, it was a secret Hui to pass the secret Resolution

“Maniapoto Wakaminenga agreed to form alliance with Te Wakaminenga National voted on it.”

As one holds the portfolio of Hapuu registrations, therefore proof of Records of Resolutions passed by each respective Hapuu Wakaminenga are required,

[2] Insofar as our “Te Hapu O Te Wakaminenga Waahi O Maniapoto” is concerned, we are not the MAORI GOVERNMENT OF AOTEAROA NU TIRENI, and nor is Cath Hopa-Pioletti nor Georgi Job official members to our Wakaminenga Confederation Of Chiefs Of The United Tribes Of Aotearoa; Maori Government Of Aotearoa est 1983. These two never have been members, and therefore they do not have the mandate to speak for the MAORI GOVERNMENT OF AOTEAROA at all. That on the Sunday, 19th November 2017 at Dawson Road, at Arikinui Amato Dan Davis home, when Georgi Job rudely insulted him, Arikinui Amato Dan Davis told Georgi that her Aunty Sue Nikora was never the Prime Minister for the MAORI GOVERNMENT OF AOTEAROA at all, as Sue Nikora had claimed at Te Tii Marae, on the 4th February 2017, but unfortunately got sung down. Georgi went berserk at Arikinui Amato Dan Davis on that Sunday, 19th November 2017, and takahi’d his mana. Then about 30 mins after this event, when we went around to see my two friends at Weymouth, Georgi did the same thing to them two as well. My friend told Paula Sage and three other women what Georgi had done when we five went to see her in Weymouth three months ago.

Yet Georgi at Kaikohekohe Hui falsely informed the Hui that Arikinui Amato Dan Davis takah’d on her Mana, and I stood up and told the people that Georgi was talking kaka! Then at Devonport Hui Cath informed the people that Arikinui Amato Dan Davis trode on her Aunty Georgi’s Mana, and I said to Cath, “Were you a witness to this?”, and Cath said, “No, but Georgi told me!” That it was at another Kaikohekohe Hui in 2019 their Agenda was to form their DOUBLE-HULL Waka, joinder with the NZ CROWN, Danny Watson was presenting this Co-Governance in breach of article 2 He Wakaputanga written constitution, a treasonous Kupapa Kaupapa. With Georgi still with one foot with her MAORI PARTY/MANA PARTY people, which was evident when she had booked accommodation with them at Opuia in February 2020, therefore one can see why Georgi and Cath do not want to stand down this unlawful NZ CROWN, they want to keep them there, which breaches article 2 He Wakaputanga written constitution for sure, a treasonous Kupapa Kaupapa at that

[3] As it says in the MATRIX, Morpheus says to NEO, “Neo look all around you, what do you see? All these people we are trying to help aren’t ready to be unplugged from the False Matrix, they are so inured, so hopelessly dependent on the SYSTEM, they will fight against us MANA WHENUA to defend the very NZ CROWN System wanting to Vaccinate and exterminate our Mokopuna.”

For this reason, we can see that the true Kupapa are the Billy Tekahikas, the Georgi Jobs, the Cath Hopa-Piolettis, the Gavin Marsichs, the Reuben Heiheis, the Cliff Royals, and all the rest of the sellouts playing the wrong tune of the FALSE PIED PIPER profits, misleading our Mokopuna over the edge of the Cliffs.

[4] So it was obvious that Cath had pre-typed up her hearsay Report to present to Mangungu, despite Cath was not at Waitangi on the 11th – 14th December 2020, funny that aye? I never saw Pouri Harris at Waitangi either. So, she gives a Hearsay Report in which all those at her private Hui accepted without evidential proof of claim, not only lacks merit, but it exposes the incompetence of decisions that incompetent people too frequently make.

[5] That on the Friday, 8th January 2021 we attended our private Executive Hui for our Wakaminenga Confederation Of Chiefs Of The United Tribes Of Aotearoa; Maori Government Of Aotearoa est 1983 business, in Tamaki Makaurau, which also included discussions around one’s

document that one served on the 22nd December 2020 with the Treasury, the Governor-General House, and the Jacinda Ardern Office to stand down. One gave a copy of this 22nd December 2020 document to Arikinui Amato Dan Davis, this is now an Official Document held with his SOVEREIGN SECURITY INTELLIGENCE OF AOTEAROA records of the COUNCIL OF CHIEFS. It must be said that whilst those discussions took place at Mangungu Taitokerau, that what their minenga agreed upon in their collective capacity, has no bearing whatsoever to what our minenga agreed upon on the 8th January 2021 at Tamaki Makaurau in our collective capacity, and vica versa, in which one is also a Wakaminenga Hapuu representative for the **Sovran Hapu State of Tamaki Makaurau Aotearoa Executive Office**. That whilst I do not require Maniapoto consent to attend Hui within Tamaki Makaurau, both Georgi and Cath do! One is also a Wakaminenga Hapuu rep for **Te Wakaminenga O Hauraki** as well, our Ngaati Maahanga and Ngaati Apakura connection to all those Hauraki Hapuu, so therefore Georgi and Cath would require Maniapoto consent for a delegation to attend Hui within Hauraki.

[6] That one was also informed that Billy Tekahika had met on the Friday, 8th January 2021 at a special meeting with key members of Kohuiarau, and for security reasons one will not mention who those four were. Not for Billy Tekahika's sake, but for my whanau of Kohuiarau who were in attendance. As one mentioned at Waitangi, at the KOTAHITANGA Forum Tent Kaupapa, **"It must be noted that the Wakaminenga Kohuiarau was founded on the 17th August 1808 at Okoroire, as a single-hulled Waka"** as affirmed in the Declaration Order, and therefore this MAORI GOVERNMENT OF AOTEAROA NU TIRENI Coat Of Arms created by Cath Hopa-Pioletti in 2017 is not part of this single-hulled Waka one was speaking about. That whilst both Georgi and Cath have continued to diss "Kohuiarau", one asks both Georgi and Cath, but who are you newbies? One can see that Georgi is still plugged to the NZ CROWN False Matrix, her not wanting to sever Maniapoto from the Mark of the Beast NZ CROWN.

[7] That Aunty Sue Nikora's document 25 of 28 **Treaty of Waitangi Flag Fraud.pdf** supports the research that Arikinui Heruika has done, which is supported by Ike Finau's ROYAL COMMISSION OF INQUIRY as put out on Youtube by Jeanette Wilson formerly a Candidate for Billy Te Kahika's ADVANCE NZ party last year, when Jeanette Wilson also appraised Dan Hermansen's Youtube which proves that the 6th February 1840 treaty was a FRAUD, and therefore the NZ GOVT was always unlawful from day one.

[7A] What Cath has claimed at point (1) does not agree with the weight of evidence that I have researched into. So when Cath says, quote "An attack and usurpation..." this is exactly what Cath has done, attacked our Wakaminenga Confederation Of Chiefs Of The United Tribes Of Aotearoa; Maori Government Of Aotearoa est 1983 and usurped us.

So, when Cath says, quote "An attack and usurpation on the independence of the native peoples of Nu Tireni protected under the British Crown ..." where are the factual evidences that the British Crown has protected us, and will protect us? That the fact that after the 1860 Kohimarama Convention that the British soldiers waged war against our people and killed many thousands in 1864, disproves Cath's theory.

If we observe from the document written by their Aunty Sue Nikora at **"1. That the Tiriti o Waitangi of 1840 as from today – Thursday 30th day of March 2006 has been extinguished through an enactment of the "Abolishment of the Treaty of Waitangi 1840 Act, 2006"** that her MAORI GOVERNMENT OF AOTEAROA has passed, that the reason why those people in 2006 abolished the 1840 treaty, that they would therefore never agree with Cath, when she says, "...upheld in the later document of concord Te Tiriti of Waitangi 1840 between the British Crown ...", that

document of concord was based upon FRAUD, and therefore Cath has no lawful right imposing upon us to continue participating in this FRAUD, as obviously revealed to us by both Gregory Baughen 11th December 2020, and Sian Elias 4th February 2017. The key point to Aunty Sue Nikora's "Abolishment of the Treaty of Waitangi 1840 Act, 2006" it binds both Georgi and Cath, because if you observe Sue Nikora's COAT OF ARMS in red, it's the same COAT OF ARMS that Cath and Georgi use; which means in law, Georgi and Cath cannot pass resolutions to repeal the 2006 enactment., unless repealed via due process of the law. Due process can only be achieved by the same Legislature body who passed that "Abolishment of the Treaty of Waitangi 1840 Act, 2006" into law 15 years ago; which cannot be done so by a group of seven anybodies who had assembled at Mangunugu masquerading as the ADMIN for our Wakaminenga Confederation Of Chiefs Of The United Tribes Of Aotearoa; Maori Government Of Aotearoa est 1983. That none of those seven are part of; and whom Billy TeKahika assumes that those seven individual Rangatira at Mangungu which is not Maniapoto territory of Cath's and Georgi's, have the constitutional Mana to override a Legislative body of Kawanatnga Congress.

That one spoke three times in the Forum Tent, the first for 30 mins, the next two for 15 mins each covering the unconstitutionality of the Te Tiriti o Waitangi 6th February 1840 under the FRAUD FLAG of that day, with the fact that Sir James Prendergast held in **Wii Parata v Bishop of Wellington, 1877**, the treaty is a 'simple nullity' supports the illegality proposition to our ROYAL COMMISSION OF INQUIRY spearheaded by Ike Finau, which all the intellectual minds in the Forum Tent comprehended and supported. One cannot help it if those such as Cath, Georgi, Gavin, Reuben, Cliff and Billy TeKahikaa and the other five at Mangungu are too thick behind their ears, as we the Wakaminenga Confederation Of Chiefs Of The United Tribes Of Aotearoa; Maori Government Of Aotearoa are not going to do a eleven year U-Turn for these dumbies to catch up, and jeopardising our Mokopuna's security and safety where these Kupapa are obviously in bed with the NZ CROWN's Agenda 21 program appears to be the only conclusion. The hypocrite Pot calling the Kettle BLACK!.

[7B] Insofar as Cath's item at 2. this is hypocritical, because Cath had assumed her MAORI GOVERNMENT OF AOTEAROA entity she created in 2017 as the Executive Government over every Hapuu across the Motu. The hypocrite Pot calling the Kettle BLACK!

[7C] Insofar as Cath's item at 3., where did we use a document namely the "Degree of the Purple Thumb" for the document that I personally put together? Cath has failed to provide proof to her claim; therefore kaka! One is entitled to use one's "Purple Ink-Pad" for my SEALS and my thumbprint, so therefore for Cath to make these outlandish claims that the usage of purple ink is tantamount to the crap she has fabricated shows how much of a compulsive liar Cath and Georgi are.

[7D] Insofar as Cath's item at 4., "The piracy and misuse of Te Haki He Wakaputanga flag..." Cath uses this same flag on her Letterhead, as a usurpation claim to our MAORI GOVERNMENT OF AOTEAROA est 1983, therefore how is it not equally piracy and misuse of Te Haki He Wakaputanga flag for you Cath, if it is for Lady Crown? The hypocrite Pot calling the Kettle BLACK!

[7E] Insofar as Cath's item at 5., "Causing foreigners to believe...", you have caused foreigners to believe yourself Cath, look at how many foreigners who attend our meetings? You Cath may not believe, does not mean Alfred may not believe does it? I believe, but Cath doesn't believe, as this is because Cath lacks knowledge of the know how?

[7F] Insofar as Cath's item at 6., Gavin Marsich uses the name Aotearoha who signed your document Cath so what's your point? Your point to attempted state capture does this apply to New Zealand as well? If its okay for New Zealand, then you cannot say differently against Aotearoha, at least the latter has meaning in Te Reo Rangatira aye?

[7G] Insofar as Cath's item at 7., It is your theory and your opinion Cath, where one disagrees with you. Our protectorates were always with the 22nd October 1832/20th March 1834 Te Kara Tuatahi, and our 1835 Wakaputanga which one has explained in one's previous Report that you guys have yet to REBUT!, not via the 6th February 1840 5-pointed N.S.W Amended Flag of FALSEHOOD which I rebutted!

[7H] Insofar as Cath's item at 8., yes Cath that is exactly what you and Georgi have been trying to do, overthrow our Wakaminenga Confederation Of Chiefs Of The United Tribes Of Aotearoa; Maori Government Of Aotearoa est 1983 and usurp us. The hypocrite Pot calling the Kettle BLACK!

[7I] Insofar as Cath's item at 9., there is no constitutional standing in law that recognises your 2017 Model MAORI GOVERNMENT OF AOTEAROA, so what's your point about other's you claim have no standing Cath? Put up your factual evidence to support your hypothesis or shut up! The hypocrite Pot calling the Kettle BLACK!

[8] As we have another Wakaminenga Confederation Of Chiefs Of The United Tribes Of Aotearoa; Maori Government Of Aotearoa private executive Hui in tomorrow, one will table these letters on Thursday 14th January 2021, discuss these with our Arikinui Amato Dan Davis, at 89 years old now, is our eldest surviving Rangatira.

[9] That the presumptions made by Pouri Harris, Wiri Motene, Nimaraki Te Moni, Gavin John Marsich, Wayne Ripia Taonui, Ripketangi, Tamihana Pomare claiming that Arikinui Heruika and Tiahine Wharekura Kingi are parts of the PURPLE THUMB COMMUNITY without these guys providing into evidence any proof whatsoever to substantiate their claims; which are fabrications. In the absence of proof these people have no proof! Put up your factual evidence you seven to support your hypothesis or shut up!

[10] That we do not recognise this 2017 Model who assume themselves as "Te Whare Ariki o Runga Assenting Body of Divine Spiritual Law of the Wakaminenga o Nga Hapu o Nu Tireni".

That nor do we recognise this MAORI GOVERNMENT OF AOTEAROA NU TIRENI Coat of Arms of Georgi Job's and Cath Hopa-Piollet's 2017 new creation; and nor do we recognise this 2017 "Te Wakaminenga o Nga Hapu o Nu Tireni" and the Administrator for this body. This Coat of Arms of Cath's was the same Aunty Sue's Legislative body who had passed the "Abolishment of the Treaty of Waitangi 1840 Act, 2006" as explained at [7A] above. Refer to Aunty Sue Nikora's document 25 of 28 [Treaty of Waitangi Flag Fraud.pdf](#)

That we do not recognise your Council of Nga Rangatira o Te Wakaminenga o Nga Hapu o Nu Tireni of the seven of you, where you Cath was never appointed the Hapuu Rep as well as the Administrator for Te Wakaminenga o Nga Hapu o Nu Tireni. You are just as bad as Cliff Royal who also tried to claim that he is the Administrator for Te Wakaminenga o Nga Hapu o Nu Tireni too. You both self-appoint yourselves.

[11] One has appointed Paula Sage as one's PA, and nominated her to the position of Secretary of State for Wakaminenga Confederation Of Chiefs Of The United Tribes Of Aotearoa; Maori Government Of Aotearoa. That her positioned will be confirmed and made official after our Hui on the 14th January 2020, and therefore all correspondences from your Ad Hoc Wakaminenga to us

will be directed to her, to the Address for Service disclosed. We do not recognise your Ad Hoc administration, C/- PO Box Address 27096, Garnett Avenue, Hamilton.

[12] That let it be known that

“Te Hapu O Te Wakaminenga Waahi O Maniapoto”, that our people of Ngaati Maniapoto, had never passed any Resolutions whatsoever to administer our affairs beyond our own Hapuu o Maniapoto.

[13] That your unlawful actions Cath will be called for disciplinary action at our next “Te Hapu O Te Wakaminenga Waahi O Maniapoto” Hui.

[14] That the fact that Rangatira Edward Moses, 12th January 2021 said to me that because Tiahine Wharekura-Kingi’s name is on the 13th December 2020 Declaration Order served on the NZ CROWN to stand down, she as warranted by the Taiopuru, therefore shows that both KOHUIARAU and The Confederation Of Chiefs Of The United Tribes Of Aotearoa endorsed by myself Arikinui Heruika covers the two valid Sovereign Authorities of this country. That Georgi Job’s and Cath Hopa-Pioletti’s Ad Hoc Maori Government are irrelevant third parties.
