AOTEAROA**

Attention: Liz M. Lambert

CC: LibertyNZ podcast Reporter

Date: 25th May 2021

Nga mihi mahano. Warm greetings.

We are writing to you on behalf of the Crown of the Mauri Nation, the only successor to Te Tiriti o Waitangi/Treaty of Waitangi 1840 dedicated to the self-determination and absolute sovereignty of our lands/mana whenua and our people/mana tangata of the common-wealth as stated in the **Royal Decree Proclamation Judgment** served on the New Zealand Prime Minister's Office, New Zealand Treasury and the New Zealand Governor General on the 22nd December 2020. We are strictly Mauri Crown Suv'ern and private as opposed to being a corporation, dead entity such as the government and parliament of New Zealand. We can report that the persons that were served the Royal Decree Proclamation Judgment did receive the judgment, did witness it, yet have not responded and have failed to [re]but to this Royal Decree Proclamation Judgment and Declaration order, tacit-[a]dmission, is con-sent, [a]ccepted-by-[e]quitable-[e]stoppel-by-[a]cquiescence, therefore it stands in law.

We have received a copy of the podcast from LibertyNZPodcast <https://www.podbean.com> '**Leaked Document Reveals New Zealand Under Maori Dictatorship? 22nd May 2021**' whereby you acknowledge and address matters of serious concern to all assembled peoples of the Crown of the Mauri Nation. We do thank you for acknowledging Her Majesty Queen in Right and the Parliament as a counterfeit government and corporation swearing bogus oaths to corporations that are fraudulent and not a flesh and blood man or woman. You are definitely leading the way in recognising this fraud and status that needs to be addressed here in Aotearoa, New Zealand.

Your expression and description of **The Declaration Order** dated **22nd December 2020** served by **Te Wakaminenga o Ngā Hapū o Nu Tireni (Alfred Mitchell, Hinewhare Harawira & Michael Stace)** was somewhat discussed in summary, however your continued reference to Lady Crown is a clear indication that you have read the **Royal Decree Proclamation Judgment dated 22nd December 2020** at some point, that was served on the NZ Prime Minister, NZ Treasury and the NZ Governor General, who are all agents of HER MAJESTY THE QUEEN IN RIGHT OF NEW ZEALAND, SEC CIK #0000216105 [A]gents (direct & indirect).

What you did get right was the persons running New Zealand are not servants but are all corporations. A Corporations means Dead, Entity, Corp-Dead, Oration-Speaking. That fraud is clearly being committed everyday that these persons are in assumed power - an imposter government and parliament with bogus oaths.

Be advised that the underwriter for the **Royal Decree Proclamation Judgment dated 22nd December 2020** is Tumuaki Lady-Crown: Turikatuku III and the assembled mana tangata of the Crown of the Mauri Nation.

We must correct you by stating that Alfred Mitchell, Hinewhara Harawira and Michael Stace are just a few of the **assembled thousands of Chiefs & Crown Suv'erans of the Crown of the Mauri Nation**.

We must commend you on getting 'Mauri Crown' correct, meaning 'the First', 'the vital essence', 'the first breath', 'pure spirit', 'mana tangata globally'.

We must commend you on agreeing that Parliament and government are all corporations, committing crimes that need to be addressed immediately.

We would like to point you in the right direction to see the evidence that you require as opposed to assumptions, as in your podcast. Please go to **<https://www.mauricrown.org/royal-decree>** for the facts and correct information.

We must also state that many of our assembled chiefs and Crown have seals depending on their position of authority as they are alive and well, as opposed to being a corporation, dead entity that has no breath or backbone. Again facts are on our website.

**CROWN OF THE MAURI NATION

Be advised that the Crown of the Mauri Nation confirm and state for the record that **HER MAJESTY THE QUEEN IN RIGHT OF NEW ZEALAND, SEC CIK #000216105 is a corporate business trading entity** with no power, no laws, no head of state, no queen, no jurisdiction or authority on our whenua[lands] period.

Be advised that anytime you refer to someone being a person, you are admitting that they are a corporation, dead entity, birth certificate, infants in infant state, dead woman/man speaking (corp-oration), fiction entities, creatures of stature.

What is evident is that the New Zealand Crown, Parliament, Government Corporations are committing treasonous behavior, poisoning our lands, our people, our babies, our food, our air, our nature and our minds through the NASA, Agenda 21, Agenda 30, 5G directives. They have implemented 1080 onto our lands, into our waterways and our air regardless of our attempts to stop this heinous poisoning & contamination of nature, animals, eco systems, local products, international products and of our people. They are using currency manipulation, product dumping, forced technology transfer, theft of intellectual property, crimes against humanity, depopulation, deforestation, abuse & theft of our children and genocide on a grand scale. This amounts to genocide. This is a global problem that cannot be addressed by the 'person' being the dead entity, corpse-oration (dead man speaking) considered lost at sea under admiralty law. One has to turn to the land in order to make a claim and that's what the Crown of the Mauri Nation is doing for all men and women who who recognise this problem and align in tikanga 'what is right'.

The Crown of the Mauri Nation are a different jurisdiction 'Ko Matou ko ngaa Tino Rangatiratanga'. In saying that, at no time will the Crown of the Mauri Nation or the live life claimants/postmasters/Crown be directed or ordered by a dead entity, corporation, period!

We do not trespass on another however it is our divine right and obligation to our children's children to uphold our constitution 'He wakaputanga o te rangatiratanga o nga hapu 1835' and our lores/laws so that our lives are not endangered by fraudulent policy and statutes created by persons and private agenda's to vacate and kill of our families with single injection.

Be advised that the police sit side by side with us at Waitangi every year learning the truth about their oath of allegiance to a corporation that is committing treason everyday with bogus laws and meaningless oaths.

We all recognise the danger of misleading information in this world of chaos. Thank you for taking responsibility for ensuring that you are presenting the facts, however once again we point you to the Royal Decree Proclamation Judgment link for facts and further information
