King Te Ruki Kawiti 1811 Rangihou Land Gift 112 Acres

Barramattagul Chief Corrangie/Harry
Adopted Son of Reverend Samuel Marsden
'Giftee'

The Rev. Mr. Marsden, chaplain to the colony, has a boy of one of the natives, which he has brought up, and intends educating, who writes a good hand, speaks the language with great fluency, sings hymns, and has a good ear for music. In short, from the account we have received, this child seems fadepable of all the mental endowments that can form the scholar and gentleman.
